There's more to Sixers Overnight Camps than just basketball. Even the pros take a break. Campers will enjoy various other supervised activities. You'll not only become a better player, you'll have more fun doing it. The summer program has been developed for both boys and girls 9-17 years of age. Campers may select one to four weeks from our sessions in July.

OUR FACILITY INCLUDES THE FOLLOWING:

- 12 basketball courts (4 indoors)
- Indoor-Outdoor swimming pool
- NBA films most evenings
- Two campers to a private dorm room
- Air Conditioned dorms
- Five divisions for interleague play
- Security cameras throughout campus & dorms

ADVANCED TRAINING

Each session includes an optional intense skill development station for the serious varsity level player.

BOOST YOUR CONFIDENCE AND IMPROVE YOUR GAME

You know your game and what you do well. At camp, we can help improve all parts of your game including shooting, passing, and defense, which will increase your confidence and poise on the court.

COMPETE AGAINST YOUR PEERS AND LEARN THE FUNDAMENTALS

As you learn, you'll get to put your lessons to use daily in full-court games. When you arrive, you'll be assigned to a team that will compete against other teams in their age or ability divisions. Using an equal-time substitution rule, everyone gets a fair share of game time. Plus, you'll play supervised one-on-one, three-on-three and practice foul shooting daily.

BASKETBALL DAY CAMP

Learn from the Sixers and local coaches in your own neighborhood. If you're serious about improving your basketball skills and you are 7-13 years old, you don't have to look far. The Sixers Day Camp program is conducted at local schools and facilities throughout the Delaware Valley.

Supervised by experienced basketball coaches from your community, each five-day session reviews the fundamentals of basketball. At the end of the week the campers will show their parents what they have learned in our "SKILLS SHOW" Friday at 3:00 pm.
